ANNOUNCEMENTS

A group of PhD students are interested in reviving the student organization, **Vanderbilt University Advanced Degree Consulting Club (or VUADCC)**. If you want to be involved or learn more, please [submit your membership interest](#) to the organization's Anchorlink page for future discussions on meetings and other updates.

In the months of January and February on Tuesday and Thursday mornings at 8am, Senior Associate Dean Roger Chalkley is offering to help postdocs who are currently interviewing for research faculty jobs by doing an

[individual faculty interview practice](#) session. Email Angela.Zito@vanderbilt.edu to schedule.

Do you want experience in science entrepreneurship/commercialization? Join the [TechVenture Challenge](#)... interest meeting will be on January 10!

Consider the [Vertex Fellows Summer Research Program](#), a mentorship industry opportunity for early career professionals. Deadline is January 15.

Learn more about the [fellowship opportunity teaching science abroad with Science Corps](#). Science Corps welcomes applications from individuals who have recently completed or will soon receive a PhD in a STEM (Science, Technology, Engineering or Mathematics) discipline, but who have not yet begun a faculty or similar level position.

Practice Faculty Interviews with
