ANNOUNCEMENTS

Check out the Fall 2018 issue of the
Results & Discussion
 newsletter!

Written about you.
 Written by you.
 Written for you.

The **8th edition of the Results & Discussion newsletter** is now available. Check out the student research highlights, the faculty and alumni spotlights, and event coverage. Let us know if you want to write for the **Spring 2019 issue!**

Spring 2019 Modules are now open! Apply today through December.

The [Lilly Visiting Scientist Fellowship](#) is a unique one-year, post-graduate program for PharmD, MD, and relevant PhD or master's degree graduates. The program exposes fellows to a myriad of pharmaceutical functions and provides hands-on involvement with the drug development process.

The **Vanderbilt Institute for Digital Learning** (who produces and edits the [Beyond the Lab video series](#)) now has an [online training available](#) so you can produce high-quality video and audio to become members of the self-service VIDLStudio.

Each year, the American Institute of Biological Sciences (AIBS) recognizes graduate students in the biological sciences who are demonstrating an interest and aptitude for working at the intersection of science and policy through the [Emerging Public Policy Leadership Award](#).

INTERNSHIP CORNER

Our module program is back for Spring 2019!

Check out these short, non-credit bearing electives to broaden your training experience. Click below at each offering for more details on dates and course syllabus.

[**Management and Business Principles for Scientists**](#)

[**Creating Effective Scientific Talks and
Delivering Them with Confidence**](#)

[**Practical Strategies for Strong Writing**](#)

[**EQ + IQ=Career Success**](#)
