BRET Office of Career Development

VIRTUAL ASPIRE OFFERINGS OF THE FORTNIGHT

<u>Transitioning to a Career in Regulatory Affairs ASPIRE Workshop</u> Deadline to apply: Tomorrow! December 1

<u>Application for ASPIRE Internship: Data Analyst with Biocentury</u> Deadline: Thursday, December 3

ASPIRE Bistro for PhD Students: Savvy Science: Professionalism Strategies for Success

Featuring Kate Stuart, Assistant Director, BRET Office of Career Development ASPIRE Thursday, December 3 • 11:00am • Zoom registration required.

ASPIRE Cafe for Postdoctoral Fellows: K Awards: Which One is Right for You? Featuring Abby Brown, BRET, Director of Outcomes Research Thursday, December 10 • 11:00am • Zoom registration required.

SPECIAL ANNOUNCEMENT

It's Back!

The application for the awardwinning <u>ASPIRE Module:</u> <u>Management and Business</u> <u>Principles for Scientists,</u> <u>2021</u> is now open! This is ideal for trainees interested in:

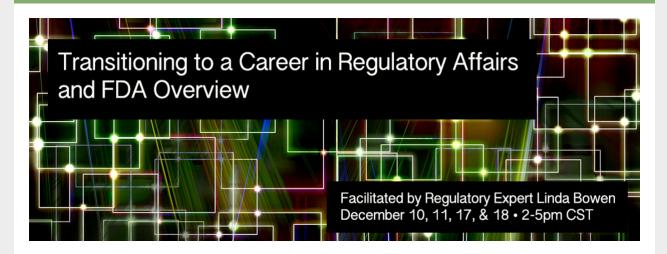

1) independent research careers in industry or academia (running a research lab in academia is often compared to owning a small business).

2) scientific or management careers in academic core facilities or contract research organizations.

3) any career outside the lab which requires business acumen!

If this sounds like you, be sure to get your application in by **Monday, December 14**. *Space is limited to 20 participants. Check* <u>*this post*</u> *for more details.*

ANNOUNCEMENTS

Apply soon to participate in the **ASPIRE Program's** <u>four-day afternoon workshop</u> with **Regulatory Affairs Expert Linda Bowen**. The workshop will cover an overview of the FDA and transitioning to a career in regulatory. *Attendees must be able to attend all four afternoons of the workshop to apply*. <u>Learn more here.</u> The deadline is tomorrow, December 1.

ASPIRE Internship Alert! VI4/PMI is looking for a <u>Science Communication Intern</u>. Biocentury is looking for a <u>Data Analyst Intern</u>. <u>Check out all the details</u> and how to apply.

<u>ASPIRE individual appointments</u> are virtual! Use our <u>online form</u> to let us know how the ASPIRE Team can help you.

A <u>Peer Guide Teaching Assistant</u> with the **Vanderbilt Programs for Talented Youth** would be a great opportunity to gain experience teaching and mentoring high school students. <u>Learn more.</u>

The <u>L'Oréal USA For Women in Science Fellowship Program</u> awards five women postdoc scientists with \$60,000.

Interested in a **<u>postdoc position at the Baylor College of Medicine</u>**? Consider their recruitment opportunity with interest in these roles.

Consider applying for the inaugural **Intersections Science Fellows Symposium**, held in January. This multi-institutional, postdoc-led, faculty-advised initiative seeks to advance diversity, equity, and inclusion in academic science by giving mid- to late stage postdocs from diverse backgrounds the chance to showcase their work; network; and receive mentoring and professional development.

ASPIRE EVENTS

ASPIRE Bistro for PhD Students: Savvy

Science: Professionalism Strategies for Success Featuring Kate Stuart, Assistant Director, BRET Office of Career Development ASPIRE Thursday, December 3 11:00am Zoom registration required.

for PhD Students

ASPIRE Cafe for Postdoctoral Fellows: K Awards: Which One is Right for You?

Featuring Abby Brown, BRET, Director of Outcomes Research Thursday, December 10 11:00am Zoom registration required.

A S P I R E Bebe for Postdoctoral Fellows

and FDA Overview

Transitioning to a Career in Regulatory Affairs and FDA Overview

December 10, 11, 17, and 18 • 2-5pm • *Must attend all four days of virtual workshop*. <u>Apply by tomorrow!</u>

PhD Career Stories: Rachel Lippert, PhD

Dr. Lippert, PhD, is a NeuroCure Junior Research Group Lead with Neurocircuit Development and Function (NDF at the German Institute for Human Nutrition. Friday, December 11 Details TBD and log-in coming soon!

ASPIRE Job Search Series: Informational Interviewing

Featuring Ashley Brady, PhD, Assistant Dean of Biomedical Career Engagement and Strategic Partnerships

for PhD Students & Postdocs

INTERNSHIP CORNER

The <u>ASPIRE Internship Program</u> facilitates opportunities for graduate students and postdoctoral fellows to conduct internships and gain hands-on experience with a project in a professional work environment. <u>Learn more.</u>

BioCentury is looking for a **Data Analyst Intern.**

This work will be performed remotely under the guidance of a BioCentury project manager. It is an excellent learning opportunity for self-motivated and independent candidates. The internship would work with and support activity in the Editorial and Tech departments.

Applications due by noon, Thursday, December 3. You must schedule a Zoom meeting with <u>Ashley Brady</u> before the application deadline. <u>For all details, see the full</u> <u>post.</u>

VI4 and PMI at Vanderbilt University Medical Center are looking for a <u>Science</u> <u>Communication Intern</u>.

This position provides an opportunity to contribute to VI4's mission of training the next generation of scientists and physicians and making fundamental discoveries in the areas of infection biology, immunology, and inflammation with the goal of increasing knowledge and improving human health. The position will also work within the PMI department goals of excellence in teaching, clinical service, and research.

Applications due by noon, December 14, 2020. You must schedule a Zoom meeting with <u>Ashley Brady</u> before the application deadline. <u>For all details, see the full post.</u>

Interested in ASPIRE Internships but don't know much about them? Not sure when the best time is to pursue one? Why are ASPIRE Internships so unique and special? <u>Find all the answers in our FAQ.</u>

SPECIAL OFFERING

BEYOND THE LAB is back!

The ASPIRE Program's Podcast Series launches Season 4 on November 3. Episodes published each Tuesday!

Tune in to the <u>Vanderbilt Beyond the Lab podcast series</u> where VU BRET alumni are interviewed about their careers, life after Vandy, and what current trainees should pursue. Find it on iTunes, Spotify, Soundcloud, Stitcher, or wherever you listen to podcasts!
