SPECIAL ANNOUNCEMENT

Alan Alda Center workshop, *The Essentials*, at the VITA Symposium

During the 2021 VITA symposium on April 15 there will be a three-hour Scientific Communication Training from the **Alan Alda Center for Communicating Science** with limited spots available

for current postdoctoral fellows. **If you would like to participate in this workshop, please review all details and apply! Deadline is noon, Thursday, April 1st.**

ANNOUNCEMENTS

The ASPIRE Program will be hosting [Cytiva virtually tomorrow March 30 for an employer info session](#). Cytiva is a global provider of technologies and services that advance and accelerate the development of novel therapeutics. They are coming to Vanderbilt to meet students and post-docs with life science backgrounds who are entering the job market in the hopes of finding excellent candidates for our open roles.

The Vanderbilt MPH Program hosts a series of campus events during [National Public Health Week, April 5-9](#), to bring together students, faculty, and staff from across the university and medical center to discuss issues important to improving health and wellness in our community and around the world.

The Vanderbilt Margaret Cuninggim Women's Center will host an [AAUW Start Smart Salary Negotiation Workshop](#) on April 6. The workshop provides college students with the confidence, knowledge, and skills needed to negotiate their salaries and benefits when they enter the “real world” after Vanderbilt.

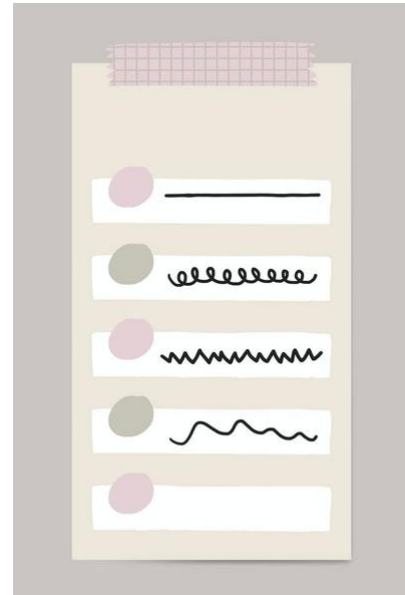

The [Vanderbilt Data Science Institute](#) workshops continue throughout April. Be sure to check out the schedule!

Interested in a career in shared research resource facilities? Attend the virtual event sponsored by The ABRF Midwest Association of Chapter Directors (MWACD) virtual event ["Why a Career in Cores?"](#) on April 2.

The Graduate Women in Science Nashville Chapter is hosting the [2021 Women's Health Research Symposium](#) in May to celebrate Women's Health Month. They have an exciting lineup of speakers that will feature innovative gynecology, pregnancy, and reproductive aging research

[Giovanni Armenise Harvard Foundation Career Development Award](#) applications are now open! The Giovanni Armenise – Harvard Foundation supports basic scientific research at Harvard Medical School and in Italy with several different programs

Applications for the [CDC Laboratory Leadership Service Fellowship](#) open April 1. This program prepares high caliber PhD scientists to become public health laboratory leaders. Through on-the-job service at CDC and other public health laboratories, fellows acquire and apply skills in laboratory quality management, the science of biosafety, and leadership.

The [Middle Tennessee Science and Engineering Fair](#) is fast approaching! It will take place virtually this year on Saturday April 10. Consider volunteering to participate as a judge!

The [Curriculum Fellows Program at Harvard Medical School \(HMS\)](#) is still accepting applications for their 2021 cohort of postdoctoral curriculum fellows. Curriculum Fellows work with HMS faculty and the administration to develop, deploy, and evaluate evidence-based graduate biomedical education and training.

Participate in the [Machine Learning in Genomics: Tools, Resources, Clinical Applications, and Ethics Workshop](#), held virtually on Tuesday, April 13 – Wednesday, April 14, 2021. The meeting is organized and hosted by the NHGRI Genomic Data Science Working Group.
