Expand your community and horizons

## Diversity Connect

An interactive event for Advanced Professional Degree candidates who strive for meaningful change

Diversity Connect supports the professional interests and growth of talented Black, African-American, Hispanic, Latino, and/or Native American students who are pursuing a PhD, postdoc, MD, and/or JD degree.

## Eligibility

Successful applicants will have strong academic achievement, extracurricular involvement, and proven leadership ability. We are looking for students who are accomplished and well-rounded with diverse backgrounds and experiences. Applicants should also:

- Identify as Black, African-American, Hispanic, Latino, and/or Native American race or ethnicity
- Receive their PhD, postdoc, MD, or JD degree in 2021

## Program

The 1.5-day program includes interactive workshops, activities to sharpen interview skills, engaging social activities as well as exciting panels and speakers. We hope you'll join us for this opportunity to learn about consulting and McKinsey and connect with your peers alongside a group of inspiring McKinsey professionals.

**Date:** June 5-6, 2020

**Location:** Philadelphia, PA

All program-related expenses will be covered.

**Application deadline Sunday, March 29, 2020**
