Vanderbilt Comprehensive Care Clinic

Preceptors

Steven Raffanti, MD, MPH & Robertson Nash, PhD, ACPN, BC

Alexandra Denton-Harvick **Eriny Hanna**

Vanderbilt University School of Nursing *Vanderbilt University School of Medicine*

Jami Hargrove **Nicole Northcutt**

University of Tennessee College of Social Work *Lipscomb University College of Pharmacy*

What is the VPIL Capstone Project?

The two-year VPIL curriculum includes a focus on basic quality improvement skills. This year's Capstone highlights the improvement project each team designed for their clinic. As part of their projects, teams assessed needs, presented a proposal and implementation strategy, and identified methods for measuring impact.

VPIL Improvement Projects

Adolescent Medicine Clinic

The THEEADSSS Model: Improving Transitions to Adult Primary Care Providers in an Adolescent Medicine Clinic

The Clinic at Mercury Courts

Quality Improvement Clinical Intake From Revisions

Alive Hospice

Alive Telehospice: Home Hospice at the Touch of a Button
