Honor and Awards:

- 2008 Best graduated student of Hormozgan University of Medical Sciences in research.
- 2008 3rd place in poster presentation in First Congress of Student Research Committees of South Network for "Comparison between Triamcinolone NN and Polymyxin NH in Treatment of Severe Acute Otitis Media."
- 1999 "Honorable undergraduate student project "of 13th Kharazmi Festival for "A Novel Idea for Human Cloning".

Publications:

- 2019 "Cardiovascular toxicity of ibrutinib: a pharmacovigilance study."; Journal of American College of Cardiology (JACC) - In press.
Joe-Elie Salem; **Ali Manouchehri**; Marie Bretagne; Bénédicte Lebrun-Vignes; John D. Groarke, Douglas B. Johnson, Tao Yang; Nishitha M. Reddy, Christian Funck-Brentano, ; Jennifer R. Brown; Dan M. Roden; Javid J. Moslehi.
- 2019 "Neurologic toxicity associated with immune checkpoint inhibitors: a pharmacovigilance study."; Journal for ImmunoTherapy of Cancer.
Johnson DB, **Manouchehri A**, Haugh AM, Quach HT, Balko JM, Lebrun-Vignes B, Mammen A, Moslehi J, Salem JE.
- 2018 "Spectrum of cardiovascular toxicities of immune checkpoint inhibitors : A pharmacovigilance study"; Lancet Oncology.
*Joe-Elie Salem, **Ali Manouchehri**, Melissa Moey, Bénédicte Lebrun-Vignes, Lisa Bastarache, Antoine Pariente, Aurélien Gobert, Jean-Philippe Spano, Justin M Balko, Marc P Bonaca, Dan M Roden, Douglas B Johnson, Javid J Moslehi*
- 2018 "ACEI and ARB Use Modulates Blood Pressure Response During Initiation of Vascular Endothelial Growth Factor Receptor Inhibition"; Presented at AHA 2018, Chicago, USA. (Published in Circulation - Issue Supplement).
*Wendy Bottinor, **Ali Manouchehri**, Megan M Shuey, Eric Farber-Eger, Joe-Elie Salem, Javid J Moslehi, Thomas J Wang, and Evan L Brittain*

Presentations:

- 2019 “ Predictors of Mortality in Immune Checkpoint Inhibitor Associated Myocarditis.” Vanderbilt Cardiovascular Symposium, Nashville, TN, USA.
Elishama N. Kanu, John R. Power, Ali Manouchehri, Melissa Moey, Olufolahan Carrena, Jiun-Ruey Hu, Wouter C. Meijers, Javid J. Moslehi.
- 2018 “Treatment of Vascular Endothelial Growth Factor Inhibitor Related Hypertension”; 36th Annual Research Forum of Vanderbilt University Medical Center, Nashville, TN, USA.
Wendy Bottinor, Ali Manouchehri, Megan M Shuey, Eric Farber-Eger, Joe-Elie Salem, Javid J Moslehi, Thomas J Wang, and Evan L Brittain
- 2018 “Clinical Characteristics of Immune Checkpoint Inhibitor (ICI)-Associated Myocarditis”; Vanderbilt Cardiovascular Symposium, Nashville, TN, USA.
Ali Manouchehri, Melissa Moey, Joe-Elie Salem, Javid J Moslehi
- 2017 “Proteinuria in Patients Treated with Vascular Endothelial Growth Factor Inhibitors” MMC-VICC-TSU Cancer Partnership, Nashville, TN, USA.
Ali Manouchehri, Wendy Bottinor, Javid J Moslehi
- 2015 "Association between anti-thymocyte globulin induction after renal transplantation and outcomes, complications and long-term prognostic factors of allograft function: a prospective study"; 4th International Conference on Nephrology and Therapeutics, as e-poster, Baltimore, MA, USA.
- 2013 “Functional outcome following Posterior Cruciate Ligament and complex knee ligaments reconstruction”; 21th annual meeting of the Iranian Orthopedic Association; Tehran; Iran.
- 2013 “Comparison between Anteromedial Portal versus Transtibial Drilling Techniques in Anterior Cruciate Ligament Reconstruction”; 21th annual meeting of the Iranian Orthopedic Association; Tehran; Iran.
- 2010 "Comparison between Tetracycline, Erythromycin and Povidone Iodine 2.5% in Prophylaxis of Ophthalmia Neonatorum."11th Annual National Research Congress of Medical Students; presented as poster by me, Bandar Abbas; Iran
- 2008 "Comparison between Tramsinolon NN and Polymixin NH in Treatment

of Mild to Moderate Acute Otitis Media."First Congress of Student Research Committees of South Network; presented orally by me, Bandar Abbas, Iran.

2008 "Comparison between Tramsinolon NN and Polymixin NH in Treatment of Severe Acute Otitis Media."2nd International and 9th National Annual Research Congress of Medical Students; presented orally by me, Mashad; Iran.

2008 Instructor of workshop on "Knowledge Management in Medicine and Medical Knowledge Management" First Congress of Student Research Committees of South Network; presented orally by me, Bandar Abbas, Iran.

2008 "Comparison between Tramsinolon NN and Polymixin NH in Treatment of Severe Acute Otitis Media."First Congress of Student Research Committees of South Network; presented as poster by me, Bandar Abbas, Iran.

2008 "Idiopathic Seizures in Users of Tramadol: Case Series "First Congress of Student Research Committees of South Network; presented as poster by me, Bandar Abbas, Iran.

2008 "ADHD in Shiraz Elementary Students" 6th National Student Science and Research Seminar, presented as poster by me, Yasuj, Iran.
