

EMERGING LEADERS DEVELOPMENT PROGRAM

Empowering a new generation of business leaders with the skills to mobilize teams and generate results.

This is a two-day intensive program for newly-promoted, high-potential managers who wish to kick their leadership skills into high gear. Not only is this program hands-on and highly engaging, it's also personal: Every participant will gain insights about their own leadership effectiveness through a rigorous G360 Emerging Leader Survey, completed by their co-workers. Equipped with data-driven problem solving and project management skills, participants can return to their new roles with the confidence and ability to drive better results.

Participants will:

- Understand how they are perceived through a customized G360 Emerging Leader Survey
- Identify personal leadership strengths and weaknesses
- Learn effective communication and coaching methods
- Gain insights into how best to manage Millennials
- Incorporate data-driven solutions to problems
- Sharpen persuasive presentation skills
- Develop an ongoing plan for personal development

The value to organizations:

- Well-managed teams deliver better results
- Effective leadership contributes greatly to employee retention and overall morale
- Strong leaders are capable of cultivating the next wave of company leaders
- An outstanding leadership team elevates an organization's brand and reputation
