

EXECUTIVE LEADERSHIP

A five-day program to help you achieve your potential as a leader

Some people seem to have a natural gift for transforming an organization, creating a high-performance culture and driving change. For most of us, however, leading teams and organizations is an acquired skill.

By the end of this highly interactive program, conducted by one of the nation's leading business experts on the subject, you'll be equipped to become a more effective leader and to achieve your professional and organizational goals.

The Bottom Line Value to You and Your Organization

You'll learn ideas and techniques you can apply right away, including:

- How to become a stronger leader who can build a shared vision, improve teamwork and increase productivity
- Ways to motivate people using key leverage points based on character and ability
- Developing a personal action plan to create greater impact in your organization
- Skills for leading change more effectively

"This is professional, well packaged training needed for all members of your management team."

"The course topics were very relevant to challenges I face daily. The suggestions & techniques can be readily applied."
