

M. Eric Johnson
919 Lynnwood Blvd.
Nashville, TN 37205

Education:

- 1991 **Stanford University**
Ph.D., Industrial Engineering and Engineering Management
- 1987 **The Pennsylvania State University**
M.S., Industrial Engineering and Operations Research
- 1986 **The Pennsylvania State University**
B.S., Industrial Engineering with Honors
B.S., Economics with Honors

Employment History:

- 2013- **Vanderbilt University, Owen Graduate School of Management**
Dean (2013-)
* Responsible for Owen's six graduate degree programs, 550 students.
* Managed \$40M annual operating budget, 50 full-time faculty, 90 staff.
* Achieved school-high rankings in *US News* and *The Economist*.
* Launched new undergraduate and graduate programs.
* Secured significant funding for new centers and building renovation.
Bruce D. Henderson Professor of Strategy (2013-)
- 1999-2013 **Dartmouth College, Tuck School of Business**
Associate Dean for the MBA Program (2012-13)
* Responsible for Tuck's top-rated MBA program.
* Responsible for Tuck's nine research centers and initiatives.
Director, Glassmeyer/McNamee Center for Digital Strategies (2000-13)
* Managed \$1M annual operating budget, seven full-time staff.
* Raised over \$5M in corporate, government, and private support.
Benjamin Ames Kimball Professor of the Science of Administration (2009-13)
Professor of Operations Management (2003-13)
* Supply Chain Management and Information Technology (MBA)
* Effective IT for Healthcare Organizations (MHCDS)
* Operations Management (MBA)
Associate Professor (tenured) of Business Administration (1999-2003)
- 2009-10 **Stanford University**
Visiting Scholar, Department of Management Science and Engineering
Senior Research Fellow, Global Supply Chain Forum, Graduate School of Business
- 1991-99 **Vanderbilt University, Owen Graduate School of Management**
Associate Professor (tenured) of Operations Management (1996-1999)
Assistant Professor of Operations Management (1991-1996)
* Twice winner of the Teaching Excellence Award
- 1988-91 **Hewlett-Packard, Corporate Manufacturing Labs**

Manufacturing Engineering Specialist/Development Engineer

- 1989-90 **Stanford University**
Instructor (Spring 1989, 1990)
* Undergraduate course in simulation
- 1986-88 **Systems Modeling Corp.**
Consulting Engineer
* Computer simulation consulting, teaching, and research
- 1985 **Packard Electric, Division of General Motors**
Co-op Industrial Engineer
- 1979-85 **Corvette America, Inc.**
Director of Sales (1985)
Sales Representative (1981-1984)
Warehouse/Shipping Clerk (1979-1980)

Boards:

Nashville Capital Network (Advisory Board 2014-)
Nashville Healthcare Council (2015-16)
Bitsight Inc (Advisory Board 2012-13)
Core Security Inc (Advisory Board 2012-14)
INFORMS (Board Member and VP Publications, 2012-14)
Crossroads Academy (Finance committee 2003-8, Board 2012-14)
Dartmouth Regional Technology Center (Board 2013)
POMS (Board 2008-10; President, College of Supply Chain Mgt 2006-07)
Evant Inc (Advisory Board 2003-5, sold to Manhattan Associates)

Funded Research:

National Science Foundation (2013-2020), \$10 million for “Trustworthy Health and Wellness.” Co-PI, \$1M to Vanderbilt.

DHS (2012-14), \$3 million for “Improving Computer Security Incident Response Teams” {with researchers from George Mason University and Hewlett-Packard}, Co-PI, \$500K to Tuck.

National Science Foundation (2009-2013), \$3 million for “Trustworthy Information Systems for Healthcare.” Co-PI, \$1M to Tuck.

DHS/I3P (2010-11), “Leveraging Human Behavior to Reduce Security Risk” {with researchers from Rand and Mitre}, Co-PI, \$40K to Tuck.

Intel (2011), “Trust Evidence”, funded - \$18K to fund CDS postdoc.
Department of Homeland Security (2007-2010), \$532,038 for “Information Risk in Data-Oriented Enterprises.” Co-PI.

Department of Homeland Security (2009), \$37,417 for “Workshop: Assessing Risk in Turbulent Times.” PI.

NIST (2008-2009), \$100,000 for “Incentives for Better Cyber Security through More Accurate, Transparent Pricing of Risk.” PI.

NIST (2008), \$30,000 for “Information Technology in Healthcare.”

Department of Homeland Security (2008), \$40,000 for Workshop on the Economics of Security. PI.

Microsoft (2008), \$10,000 for Workshop on the Economics of Security. PI.

Department of Homeland Security (2007-2009), \$120,825 for “Business Education for the Security Professional: Building the Security to Business Bridge.” PI.

Department of Homeland Security (2007-2009), \$805,897 for “Business Rationale for Information Security.” PI.

Save The Children (2006-7), \$2500 for “Information and Trust in Humanitarian Supply Chains.” PI.

NIST (2006-2007), \$128,500 for “Information Risk in the Professional Services.” PI.

US Bureau of Justice (2005-2007), \$225,000 for “Enhancing Trust Through Information Sharing in the Extended Enterprise.” Co-PI.

Department of Homeland Security (2007), \$66,867 for research workshop: Security through Information Risk Management - Protecting Against Economically Motivated Attacks. PI.

Department of Homeland Security (2005-2007), \$772,783 for “Understanding and Quantifying the Economic Impact of Security Failures and Defense Strategies.”PI.

World Bank (2005), \$50K for “Developing Cyber Security Policy.” Co-PI.

Carnegie Bosch Institute (2005), \$40K for Thought Leaders Roundtable on Supply Chain Management. PI.

Merchant Risk Council (2004), \$11K for “Supply Chain Distribution Risk Study.” PI.

National Science Foundation with Industrial Support from Hewlett-Packard (1994-1998), \$95,000 from NSF and \$76,000 from HP for “Supply Chain Models with Capacity Considerations.” PI.

Pepsi Research Grant (1995-1998), \$288,000 for “Sourcing Strategies for National Distribution.” PI.

Material Handling Institute (1994), Travel grant of \$1000 to present a paper at the 3rd Material Handling Colloquium. PI.

Hewlett-Packard Equipment Grant (1994), Grant of computer equipment valued at \$80,000 to complete a high performance personal computer laboratory for research and instruction (with Nancy Lea Hyer). Co-PI.

Hewlett-Packard Research Grant (1993), \$40,000 for supply chain models. PI.

Hewlett-Packard Equipment Grant (1993), Grant of computer equipment valued at \$85,000 to create a high performance computer cluster for research and instruction (with Nancy Lea Hyer). Co-PI.

Material Handling Institute (1992), Travel grant of \$1000 to present a paper at the 2nd Material Handling Colloquium. PI.

Hewlett-Packard Research Grant with matching support from the National Science Foundation (1989-1990), \$28,000 for the study of automated guided vehicle systems (with Margaret L. Brandeau). Co-PI.

Technical Reports:

Johnson, M. Eric (2007), "Inadvertent File Sharing Over Peer-to-Peer Networks" Testimony before the Committee on Oversight and Government Reform, United States House of Representatives, July 24.

Jett, Quintus R., Pyke, David F., and M. Eric Johnson (2006), "Minority Business Enterprises: Mastering the Supply Chain," U.S. Dept of Commerce, MBDA.

Teaching Cases:

Norwegian Cruise Line (2013) {with David Sibly}. Examines technology and operational alignment.

XOJet (2013) {with Jordan Esten}. Highlights the role of asset management in a private equity turnaround in aviation.

Sotera Wireless (2012) {with Johnny Kaye and Ron Adner}. Presents the ecosystem challenges of a medical device start-up.

Groupon (2011) {with Cassie Lancellotti-Young and John F. Marshall}. Chronicles the rapid growth of a social shopping venture. Includes a teaching note.

Mattel, Inc: The Lead Paint Recall (2010). Explores the challenges of vendor management and the risks of low-cost country sourcing. Includes a teaching note.

Enhancing Service at Southwest (2009) {with Joe Hall}. Shows the importance of integrated operations and marketing strategies. Includes a teaching note.

Dean Foods Network Optimization (2008) {with Marian Gentile, T'08 and Alyssa Johnson}. Examines facility location and capacity rationalization. Includes a teaching note.

NetHope—Collaborating for the Future of Relief and Development (2007) {with Benjamin Farmer}. Chronicles the founding, growth, and challenges facing a humanitarian technology consortium. Includes a teaching note.

Strengthening the Distribution Channel at Steinway & Sons (2006) {with Robert Batt}. Demonstrates how to align product and channel strategies. Includes a teaching note.

Aligning the Supply Chain (2006) {with Laura Kopczak}. Examines how a manufacturing execution system can improve productivity and enhance trust in collaborative relationships.

Technology and Quality at Steinway & Sons (2005) {with Joe Hall and David Pyke}. Describes the application of new technology to improve Steinway's legendary quality. Includes a teaching note.

Biogen-Idec: Growing a Customer-Focused Supply Chain (2005) {with Julia A. Kidd}. Illustrates how a biotech firm organized its supply chain around the customer using a customer relationship management (CRM) system. Includes a teaching note.

Can Heroes be Efficient? Information Technology at the International Federation of the Red Cross (2004) {with Laura Kopczak}. Examines the use of information technology to enhance collaboration within a humanitarian relief organization.

Woolworths "Chips" Away at Inventory Shrinkage through RFID Initiative (2004) {with Mike Gozycki and Hau Lee} Introduces the use of RFID and GPS technologies to reduce supply chain shrinkage. Published in *The ICFAI Journal of Supply Chain Management*, Vol. 2, No 4, December 2005, 73-88. Reprinted in RFID: Applications and Cases, (S Jay Krishna ed.), ICFAI University Press, Hyderabad, India.

Quad Wants to be a Savi Player in Agribusiness (2002) {with Matt Camp} – Explores the use of tracking technologies (RFID) to improve asset utilization, increase supply chain velocity, and facilitate security. Includes a teaching note.

Food Fight: The Day McDonald's Blinked (2001) {with David F. Pyke} – Examines McDonald's operational strategy and its move towards product customization with the *Made for You* Cooking System.

Pipirium: Office Depot is Coming (2001) {with Daniel R. Justicz and Jay A. Altizer} – Examines distribution strategy for an Eastern European office supply distributor fighting to protect a lucrative business from invasion by a multinational.

Garden.com: At the End of the Runway (2001) – Illustrates the complexities of managing virtual supply chains for perishable consumer products.

ChemPoint and Yantra: Extraprise management in the specialty chemical industry (2001) {with Jesse Johnson} – Examines extraprise application software and virtual supply chains in industrial products.

eSkye (2000) {with Chris Hunter} – Examines the role of an information intermediary in alcohol beverage distribution.

Agile Software – I Want My WebTV (2000) {with Hau L. Lee} – Shows how product content management is a key link in effective supply chain management for rapidly changing products. Includes a teaching note.

Mattel: Vendor Operations in China (1998) {with Tom Clock} – Illustrates global sourcing and supply chain risk management. Includes a teaching note. Winner of the 2000 CIBER/POMS case competition. Reprinted by the European Case Clearing House 601-039-1, 601-039-8.

NWS, Inc.: Distribution System Implementation (1998) {with Andy Brown} – Illustrates the implementation of a large-scale distribution system. Includes a teaching note.

Hewlett-Packard Spokane Division: Order Fulfillment and Inventory Control (1995) – Illustrates how disconnected planning systems can expand inventory while providing poor order fulfillment. Includes a teaching note. Published in **Strategic Logistics Management**, forth edition (2001), J.R Stock and Lambert, D.M., Irwin/McGraw-Hill, 768-779.

NWS, Inc.: Distribution System Design (1994) {with John Baker} – Illustrates multi-site facility location and the determination of corresponding service regions. Includes a teaching note.

Hewlett-Packard: Spokane Surface Mount Center (1993) – Illustrates sequence and setup related problems in an automated assembly line. Includes a teaching note.

Patents:

“Graphical User Interface For Capacity-driven Production Planning Tool,” (Cargille, Brian, Gianpaolo Callioni, and M. Eric Johnson), US Patent #7,774,225 (August 10, 2010).

“Capacity-Driven Production Planning,” (Cargille, Brian, Gianpaolo Callioni, and M. Eric Johnson), US Patents #09/953,707, #09/953,663, # 09/953,669 (20030050870, 20030050826, 20030050817) (Pending).

Moderated Discussions and Roundtables

Thought Leadership Roundtable on Digital Strategies

- Information Risk Mgt in the Digital Age, Houston, TX (Sysco), Feb 20, 2018.
- Rethinking Cyber Security, Reston, VA (Bechtel), June 10, 2014.
- IT Enabled Products and Services, Cleveland, OH (Eaton Corp), June 4, 2013.
- Managing Enterprise Risk, London, England (Misys), April 25, 2013.
- Big Data: Capitalizing on the Potential, Phoenix (Bechtel), Feb 13, 2013.
- Managing Enterprise Risk, Beaverton, OR (Nike), May 24, 2012.
- Corp Apps Deployment, Lund, Sweden (Tetra Pak), April 26 2012.
- Corp Apps Deployment, Louisville, KY (Brown-Forman), March 1 2012.
- Fundamental Shift in IT, Hanover (Tuck), October 18 2011.
- Building Talent and Leaders, Kingsport, TN (Eastman), June 16, 2011.
- Business Intelligence and Analytics, Zurich, CH (Holcim), April 19, 2011.
- Enabling Innovation, San Ramon (Chevron), Feb 16, 2011.
- Performance by Design, Zurich (ABB), Oct 26, 2010.
- Business Intelligence and Analytics, Charlotte (TWC), June 2, 2010.
- Customer-Focused Organization, Vevey, CH (Nestlé), April 23, 2010.
- Corporate Transformation, Houston TX (Sysco), February 19, 2010.
- Global Supply Chain Mgt, Frederick, MD (Bechtel), October 15, 2009.
- Leading the IT Organization, Munich (Hilti), Germany, April 17, 2009.
- Leading the IT Organization, Arlington (DISA), Feb 25, 2009.
- Global Mindset, Virtual Org, Munich (BMW), Germany, Sept 18, 2008.
- Global Talent, Cleveland (Eaton Corp), Ohio, June 17, 2008.
- M&A and Divestitures, London (BT), April 4, 2008.
- M&A and Divestitures, San Jose (Cisco), February 5, 2008.
- Using and Stewarding Customer Data, Hanover (Tuck), October 4, 2007.
- Web 2.0 and the Corporation, Hanover (Hasbro), June 19, 2007.
- The Agile and Resilient Enterprise, Sea Island GA (Bechtel), Feb 27, 2007.
- Emerging Markets, Prague, Czech Republic, September 26, 2006.
- Nurturing Innovation, Providence RI (Hasbro), June 6, 2006.
- Strategic Partnering, Durham, NC, Feb 28, 2006.
- Process Transformation, Minneapolis (Cargill), Sept 27.

Fueling Business Strategy through IT/Finance Alignment,” Tuck-Cisco Summit on Digital Strategies, NYC, June 7, 2005.

Human Resources Management, Orlando FL, Mar 1, 2005.

Managing Global Ops, Vortex, Santa Barbara CA, October 4, 2004.

Tuck/Cisco Thought Leader Summit on Digital Strategies

Information Security and Privacy, Hanover NH, June, 2004.

Elusive Integration, Dallas TX, February, 2004.

Creating a Customer Focused Organization, South Bend IN, September, 2003.

Product Collaboration, Cleveland, May, 2003.

Service and Support, Durham, February, 2003.

Panel Discussion on Channel Management, San Jose, August, 2002.

Pricing and Supply Chain Optimization, San Jose, January, 2002

CISO Workshop

Digital Transformation: Secure Healthcare Ecosystem, Mar 2, 2018, Nashville.

Cybersecurity: Building Secure Healthcare Orgs, Nov 18, 2016, Nashville.

Cybersecurity - Europe, June 21, 2012, Ittingen CH.

Human Behavior and Security Culture - America, July 20, 2011, Hanover.

Human Behavior and Security Culture - Europe, June 21, 2011, Ittingen CH.

Assessing Risk in Turbulent Times, July 13-14, 2009, Hanover.

Security through Information Risk Management, Oct 5, 2007, Hanover.

Developing a Secure Organization, March 1, 2006, Durham, NC.

US Senate Cyber Security Forum - Economics and Enterprise Risk, Sponsored by Senators Lieberman and Collins, Dirksen Senate Office Building, Washington DC, October 15, 2008.

New York Times/International Herald Tribune Roundtable Outsourcing and Job Migration, Algonquin Hotel, New York NY, November 4, 2006.

Humanitarian Supply Chain Technology, Crossroads, Fritz Institute, Sebastopol, CA, Nov 12, 2005.

Global Supply Chain Synchronization, First Conference of the POMS Supply Chain College, University of Chicago, May 3, 2005.

Invited Research Seminars:

“Proactive vs. Reactive Security Investment in the Healthcare Sector,” Shanghai Jiao Tong University (Antai), Shanghai China, Feb 28, 2014.

“Quality Risk Ratings in Global Supply Chains,” University of Miami (School of Business), Feb 24, 2012.

“The Impact of Information Security Ratings on Vendor Competition,” Ohio State University (Fisher College of Business), May 20, 2011.

“Information Risk Ratings and Vendor Competition,” Boston University, Jan 28, 2011.

“The Impact of Professional Information Risk Ratings on Vendor Competition,” Carlson School of Management OM Seminar, University of Minnesota, Feb 19, 2010.

“Humanitarian Logistics: Effective Relief When Nature Strikes,” USD Business School Seminar, University of San Diego, February 11, 2010.

“The Impact of Professional Information Risk Ratings on Vendor Competition,” Berkeley IEOR Seminar, University of California at Berkeley, February 8, 2010.

“Digital Strategies and Operations – The convergence of IT and operations,” Darden Business School, University of Virginia, November 18, 2008.

“Information Risk of Inadvertent Disclosure - An Analysis of File-Sharing Risk in the Financial Supply Chain,” Harvard Business School, October 2, 2008.

“Inadvertent Disclosure—Information Risk and Governance in the Financial Supply Chain,” Northwestern, Kellogg School, April 30, 2008.

“Information Risk of Inadvertent Disclosure —An Analysis of File-Sharing Risk in the Financial Supply Chain,” Vanderbilt, Owen School, April 16, 2008.

“Inadvertent Disclosure: Information Leads in the Extended Enterprise,” Emory University, Goizueta Business School, March 2007.

“Advanced Demand Information and Order Fulfillment,” UCLA, Anderson School of Management, October 2002.

“Bottoms up or Tops Down?: Demand Planning,” Hewlett-Packard, August 2002.

“Collaboration and Inventory Allocation,” The University of Texas at Austin, McCombs School of Business, April 2002.

“How the Web is Reweaving Supply Chains - Roadmap for Future Research,” Penn State University (Smeal School of Business), Inaugural Seminar for the University-Wide Supply Chain Lecture Series, November 2001.

“eFulfillment - Its harder than it looks! Models of Split-Case Sorting Systems,” Cornell University (Johnson School of Management), November 2000.

“Innovations in Supply Chain Management,” University of North Carolina’s Workshop on Supply Chain Management, July 1999.

“Supply Chain Lessons from the Toy Industry,” Stanford Global Supply Chain Forum, June 1999.

“Teaching Supply Chain Management,” University of Virginia (Darden School), April 1999.

“Supply Chain Management – Information and Order Fulfillment,” University of Tennessee, College of Business, April 1999.

“Information, Allocation and Order Fulfillment,” Hong Kong University of Science and Technology, September 1998.

“Supply Chain Metrics and Order Fulfillment,” Ohio State University (Fisher School of Business), May 1998.

“Information, Allocation and Order Fulfillment or What Did the Supplier Know and What Did They Do About it?” University of Cincinnati, May 1998.

“The Use of Outsourcing in Supply Chain Management,” University of Virginia (Darden School), March 1998.

“Collaborative Inventory Management,” Hong Kong Polytechnic University, February 1998.

“Inventory Allocation and Order Fulfillment,” University of North Carolina (Kenan-Flagler Business School), February 1998.

“Implementing Setup Optimization on the Shop Floor,” Penn State University (Smeal School of Business), April 1996.

“Implementing Setup Optimization on the Shop Floor,” Cornell University (Johnson School of Management), February 1996.

“Design of an Automated Shop Floor Material Handling System,” Washington University (Olin School of Business), February 1994.

“Expressions for Item Fill Rates in Periodic Inventory Systems,” Hewlett-Packard Laboratories, July 1994.

Editorial Leadership in Scholarly Research Journals:

Program committee –

Workshop in the Economics of Information Security (WEIS 2007-)

Conference of Information Systems and Technology (CIST 2013-)

Security and Privacy in Medical and Home-Care Sys (SPIMACS 2009-2010)

First Annual IFIP Intl. Conf. on Critical Infrastructure Protection (2007)

Workshop on the Econ of Securing the Info Infrastructure (WESII 2006)

2nd POMS College of Supply Chain Management (2007)

1st POMS College of Supply Chain Management (2005)

Supply Chain Thought Leaders Roundtable (2002, 2003)

Intl Conference on Object-Oriented Manufacturing Systems (1992)

Steering Committee - Security Standard (2006, 2007)

Department Editor (SC), *Production and Operations Management* (2004-).

Editorial Advisory Board, *Journal of Business Logistics* (2010-)
 Editorial Board, *International Journal of Logistics Management* (1998-).
 Editorial Board, *Electronic Markets - The International Journal* (2008-)
 Associate Editor *INFORMS Journal on Applied Analytics* (2019-) (formerly *Interfaces*).
 Functional Editor (Supply Chain Management and Simulation), *Interfaces* (2002-2018).
 Editorial Board, *Manufacturing and Service Operations Management* (1996-06).
 Chair, Workshop in the Economics of Information Security (WEIS 2008)
 Editorial Board, *ASCET* (2005)
 Area Editor, *Production and Operations Management* (2000-2003).
 Co-Editor, *Operations Management Education Review* (2003-2005).
 Associate Editor, *Management Science* (1999-2002).
 Co-Editor for the Focused Issue on e-Business and Supply Chain Management,
Production and Operations Management (2001-2002).
 Associate Editor, *Operations Research* (1994-1999).
 Co-Editor for the Focused Issue on Teaching Supply Chain Management,
Production and Operations Management (1998-2000).
 Associate Editor – Focused Issue on Simulation, *Journal of Operations
 Management* (2001).
 Editorial Board, *Production and Operations Management* (1996-2000).
 Associate Editor, *IIE Transactions* (1993-97).
 Co-Editor Focused Issue on Material Handling, *Transportation Science* (1996).
 Area Editor, *1994 Industrial Engineering Research Conference*.
 Referee for *Management Science*, *Operations Research*, *Transportation Science*,
Institute of Industrial Engineers Transactions, *European Journal of Operations
 Research*, *Production and Operations Management*, *National Science Foundation*,
INFORMS, *Production Planning and Control*, *International Journal of Flexible
 Manufacturing Systems*, *American Journal of Mathematical and Management
 Sciences*, *Sloan Management Review*, *California Management Review*.

Professional Leadership:

Board Member (elected VP of Publications) *INFORMS* (2012-4).
 Board Member (elected) *Production and Operations Management Society* (2008-10).
 President (elected) *POMS College of Supply Chain Management* (2006-07).
INFORMS Dantzig Prize Committee (2008-2009), Chair (2009).
 Judge for *CIO Magazine Top 100* (2009-2017).
 Bernard J. La Londe Best Paper Award Committee *Journal of Business Logistics* (2012).
 Best Paper Presentation Chair *POMS College of Supply Chain Management* (2007).
INFORMS Nicholson Prize Committee (2005-2006)
 Judge for eBRC's (eBusiness Research Center) 5th Annual Doctoral Award Competition
MSOM Best Paper Judge (2004).
 Program Chairman, Tuck Conference on Supply Chain Supply Chain Management –
 Technology, Globalization, and Policy at a Crossroads, (2004).
 Advisory Board, *Evant Corp* (2004-2006)
 Judge for 2005, 2004, 2002 Wickham Skinner Best Paper Award – *POMS*.
 Chair for 2011, Wickham Skinner Teaching Award – *POMS*.
 National Infrastructure Advisory Council (NIAC) Study Group – Risk Management
 Approaches to Protection. http://www.dhs.gov/xlibrary/assets/niac/NIAC_RMWG_-_2-13-06v9_FINAL.pdf

Vice President, Production and Operations Management Society, (2001-2004).
INFORMS prize committee (2000-2002, Chair 2001-2002).
VP of Meetings, Manufacturing and Service Operations Mgt. Soc., (1998-2000).
Session Chair for INFORMS (ORSA/TIMS) Conferences,
2009, San Diego; 2005 San Francisco; 2004 Denver; 2000, San Antonio; 1999
Cincinnati; 1998 Montreal; 1996 Washington D.C.; 1995 New Orleans; 1995
Los Angeles; 1994 Detroit; 1993 Phoenix; 1992 San Francisco; 1989
Vancouver.
1990 Summer Simulation Conference, Calgary.
Cluster Chair:
Supply Chain Management, 2002 POMS Conference;
Supply Chain Management, 1999 INFORMS Conference;
Supply Chain Management, 1997 INFORMS Conference;
Manufacturing/Distribution, 1992 ORSA/TIMS Conf, San Francisco.
Doctoral Dissertation Committee, Council of Logistics Management (1995).
Publicity Chair, *1994 Winter Simulation Conference*.
INFORMS public relations committee (1994-1998).
Chairman of the ORSA public awareness committee 1994 (member since 1992).
Panel reviewer for the *National Science Foundation* (1995, 1993).
Member of NSF site visit team, *National Science Foundation* (1995).
Judge for *Darwin Magazine Fittest 50*, 2002 World Class Companies.
Judge for *Industry Week 100*, 2001 Best Management Companies.
Judge for *Agility 2000-2001*, Agility in Collaborative Manufacturing Award.
Judge for 2003 POMS/CIBER International Case Writing Award.
Member of Institute of Industrial Engineers, Institute of Operations Research and the
Management Sciences, Decision Sciences Institute, Council of Logistics Management.

Tuck Executive Education:

Tuck Executive Program, 2008–12.
SCTE Leadership Institute (Faculty Director), 2011–13.
Business Essentials for the Information Security Professionals, 2008–13.
Goodwin-Procter Directors Forum, 2011.
Gateway, 2008–09.

Honors and Awards:

2009 POMS College of Supply Chain Management–Outstanding Service Award.
2009 POMS College of Supply Chain Management–Outstanding Board Member.
2004 Dartmouth Master of Arts (honorary).
2001 Winner of the Accenture Prize for the best logistics paper published in
International Journal of Logistics Management (\$1000).
2000 Winner of the CIBER/POMS International Case Competition (\$2500).
1997, 1995 Deans’ Award for Teaching Excellence (\$2500).
1996 Meritorious Editorial Service Award – *Operations Research*.
1991 Service to the Industrial Engineering Department Award, Stanford Univ.
1987 Stanford University Graduate Fellowship.
1986 O. W. Houts Undergraduate Study Scholarship.
Tau Beta Pi, Alpha Pi Mu - National Engineering Honor Societies.
