

V Scholar Cancer Research Grant Program 2019 Call for Applications

PURPOSE OF AWARD:

The V Scholar Award supports early tenure-track faculty by funding a range of projects from laboratory-based fundamental research through bench to bedside research. The total amount of the grant is \$200,000, paid in two annual installments of \$100,000. Only direct costs of the research are supported by this award.

SPECIAL FOCUS AREA: ANY area of adult cancer research. This call for applications is specifically for adult cancer research.

WHO MAY APPLY?

- Each invited institution may submit **one nominee** to apply for this call.
- As in 2018, we continue to raise funds to support the Stuart Scott Memorial Cancer Research Fund. While not required, we also encourage applications from early investigators from a minority ethnic group who is underrepresented in science to be supported by this Fund. For the purposes of this application: African American, Hispanic American (non-European) or Native American and/or an Alaskan Native would be included in minority groups eligible for Stuart Scott Memorial Cancer research funding. Among our highly ranked finalists for the 2019 V Scholar Award, we will designate at least one of the highest ranked applications from a minority applicant as the recipient of a 2019 Stuart Scott Memorial Fund V Scholar Award.

INSTITUTION ELIGIBILITY:

- Only research institutions that received this invitation may submit a nominee for consideration. Other affiliates of the institution that did not receive the email are not eligible to nominate an applicant. Please do not distribute outside of your institution.
- Institutions must be non-profit research institutions in the US or Canada.

APPLICANT ELIGIBILITY:

Inclusion: Nominees must be all of the following:

- Nominated by their Cancer Center Director or similar high ranking research official.
- Employed at a non-profit research institution (e.g., 501c3, Section 170).
- Either a US Citizen or a permanent legal resident in the US. Not applicable to Canadian institutions.
- Possess at least 2 years post-doctoral (MD or PhD) fellowship training. For MDs, a minimum of one year is acceptable if only one year is required for their specialty.

- Clinical scientists are eligible if the research institution can demonstrate that it will fully support the research applicant (e.g., dedicated lab space, committed research time, start-up funds).
- By the Due Date of the Application, applicants must:
 - Hold a tenure-track faculty position as an assistant professor at their cancer research institution. Non-promotable, adjunct, affiliated, temporary, part-time or acting faculty positions are not eligible.
 - Have been appointed to their first full-time Assistant Professor position within the last 5 years, and not yet been promoted to Associate Professor.

Exclusion: By the due date of the application, nominees must:

- NOT already hold an RO1 or RO1-equivalent grants as a PI or co-leader.
- NOT be a co-leader on projects such as SPORE or NIH grant mechanisms like U01, DP1, DP2, R37, and R23.

Note: The V Scholar award is intended to support research to leverage these larger awards; so, the nominee should not have already received such awards.
