

Hello!

We hope you are safe and healthy where you are. We miss having you as part of our daily work lives. We are working from home as we weather this pandemic, and just like you, we don't quite know what the future days, weeks, and months may hold. We are optimistic about our return to normalcy someday soon, and as such, we want to touch base with a few updates. Enjoy this Quarantine Edition of our Newsletter. We will be back in action as an Events family before you know it!

We miss you! - Pro Staff
