Do You Want to Shape the Future of the Student Centers' Team?

There are two new ways to get involved!

1) Hiring Committee – 2-3 students interested in helping with the early stages of the hiring process – reviewing applications, communicating with applicants, scheduling and conducting interviews, and providing feedback on applicants. This would be an ongoing commitment that would take 1-2 hours a week most weeks, depending on the number of applications and the needs of each team.

2) Interview Squad – students that would be interested in assisting with conducting interviews and providing feedback for the hiring committee. The time commitment would vary more with this position, as it would depend on when interviews are scheduled.

If either of these opportunities interest you, please let Dani (danielle.r.bestfelt@vanderbilt.edu) or Danielle (danielle.l.recco@vanderbilt.edu) know by October 31st!
