INFORMATIONAL INTERVIEWS

• Goal: Learn about the real-life experiences of a professional working in the public sector or office that interests you through informal conversation and networking opportunities.

• Action: Connect with public sector and industry professionals on LinkedIn and/or reach out to Vanderbilt alumni using VUconnect to schedule brief phone conversations with 10 people.

• Result/Skills: Gain a better understanding of what positions you may apply to and organizations to work for. Improve your interviewing and communication skills by engaging with potential employers.

COURSEWORK/WORKSHOPS

• Goal: Pick up a marketable public sector skill to supplement the material you have learned in the classroom and/or prepare for pre-professional exams.

• Action: Enroll in grant writing or digital system courses through Coursera and edX. Locate practice tests for the Law School Admission Test (LSAT) or the Graduate Record Examinations (GRE). Register for webinar case studies for public sector and governmental consulting.

• Result/Skills: Analyze patterns and draw new conclusions. Acquire intermediate technical ability with understanding of its demonstration in the public sector.

RESEARCH

• Goal: Demonstrate your commitment to an important issue/cause and to your community through general public service.

• Action: Search for volunteer opportunities with non-governmental organizations (NGOs), intergovernmental organizations (IGOs), local businesses or political campaigns on websites such as Idealist, VolunteerMatch, OpenIGO, and various campaign websites.

• Result/Skills: Learn first-hand about issues you are interested in through meaningful work experiences while building leadership, organizational, collaborative and problem-solving skills.
