The mission of the Vanderbilt Woman's Club is to bring together the women of Vanderbilt University; provide an opportunity for intellectual, cultural and social activities within the community and the University; support and assist the mission of the University; and sponsor the Vanderbilt Woman's Club Stapleton/Weaver Endowed Scholarship through fundraising. The late Margaret Branscomb, wife of Chancellor Harvie Branscomb, was responsible for the major plantings of the magnolia trees on campus. The naming of the newsletter honors her.

New Members' Corner

Welcome

Tracy Beckers My husband, Michael, and I moved here about a year ago from Fayetteville, Arkansas. One of the main reasons for our move was to be closer to our daughter and her husband, who live here in town. Being near family has been a wonderful part of this new chapter in our lives. Our son, his wife, and our two grandsons live in the Seattle area. Although the distance keeps us apart, we visit whenever we can and cherish the time we spend together. I enjoy staying active and creative. My interests include exercising, playing mahjong, painting and art, traveling, fashion, spending time with family, and volunteering. I love meeting new people and staying involved, and I'm grateful for the opportunities this community offers.

Ruth Broek I'm from West Michigan and received an MBA from Western Michigan University. I moved to Nashville in 1993 for a job in healthcare consulting. I worked with a few consulting companies and finally settled in at ZHealth. I retired in 2021 after serving as Vice President for 20 years. We specialized in coding and reimbursement for hospitals and physicians, providing education and publishing coding manuals.

Debi O'Connor My husband and I split our time between Nashville and Harwich Port, MA. Both our sons have settled in Nashville. I had an Interior Design business in Massachusetts, and now do bookkeeping part time. I love to play tennis.

Garden Lovers

Saturday, January 10 | 10:00 a.m.

We are delighted to feature our own member **Lora Stevenson-Obrohta**, who has generously volunteered to speak on designing a garden bed for the year ahead.

Whether you're working with containers or tackling a challenging garden spot, Lora will demonstrate how to use landscape design tools to create a thoughtful plan. She will also discuss winter sowing as a way to supplement your design and will share her garden journals, planning methods, tips from popular designers, and inspiring garden photos.

Come out, get inspired, and dream about the season ahead!

Location:

Calvary United Methodist Church

3701 Hillsboro Pike, Nashville, 37215

Parking is available anywhere on the property.

Entrance Instructions:

The entrance is located midway up the hill, to the left of the main church entrance. Look for the door marked "Administration."

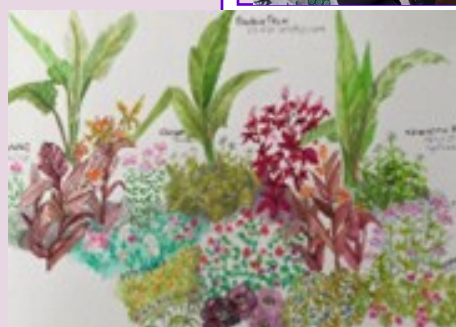

If the door is locked, please ring the doorbell for entry.

Community Explorers

Friday, January 9,

Time: 7:00 a.m. to 5 p.m.

(Carpooling from the Brentwood Library)

The Explorers will visit the **Wheeler National Wildlife Refuge**, Decatur, Alabama, and in nearby Florence, Alabama, the Rosenbaum House, designed by Frank Lloyd Wright.

Each January, Wheeler National Wildlife Refuge becomes a stage for one of nature's grand performances: the migration of over 20,000 sandhill cranes. These elegant, long-legged birds arrive from the upper Midwest to spend the winter in the refuge's wetlands, filling the air with their distinctive calls and graceful movements.

Visitors can observe the cranes—alongside a few rare whooping cranes—from the heated Observation Building.

This will be a day trip, leaving at 7:00 a.m., returning to Nashville by 5 p.m.

Admission to Wheeler is free; Rosenbaum House group admission is \$5.

We will also stop for a tea room lunch in Florence.

Limited to 20 participants - Spouses and/or friends are welcome.

Please contact Roxanne Roske, email: hrroske@yahoo.com to be placed on the wait-list, as the trip is currently booked to full capacity. It is anticipated that there will be some cancellations and your spot will be cleared.
