

Amplify GenAI Innovation Center Industry Affiliates Program

Explorer (\$50k)

Ideal for affiliates seeking to become engaged with the Amplify GenAI Innovation (AGI) Center and learn more about generative AI use.

- Access to AGI Center students and postdocs through an online database of profiles and resumes ¹
- Opportunity to participate in virtual educational workshops for up to two (2) people (offered 3x per year)
- Early access registration for up to four (4) people to the AGI Center Annual Symposium²
- Sponsor acknowledgement as an AGI Center Affiliate at the AGI Center Annual Symposium at the appropriate level
- Website acknowledgement as an AGI Center Affiliate
- Updates regarding latest research and developments in generative AI technology³

Navigator (\$100k)

Ideal for affiliates digging deeper into their generative AI use and finding opportunities for maximization.

Explorer benefits, plus:

- One (1) seat on the AGI Center's Industry Advisory Board¹
- Opportunity for two (2) 60-minute "brainstorming" sessions with the AGI Center's Chief AI & Technology Officer and Engineers focused on your company's specific interests or questions³
- Access to AGI Center post-accepted, pre-published research¹
- Opportunity to sponsor one (1) private networking session with AGI students and post-docs⁴
- Early access registration for up to eight (8) people to the AGI Center Annual Symposium²
- Opportunity to participate in virtual educational workshops for up to five (5) people (offered 3x per year)

Pioneer (\$150k)_

Ideal for affiliates seeking a deep relationship surrounding generative AI and looking for opportunities to connect through use cases and development.

Navigator benefits, plus:

- Up to two (2) seats on the AGI Center's Industry Advisory Board ¹
- Opportunity for one (1) half-day brainstorming session focused on your company's specific interests or questions with the AGI Center's team and the Executive Director of Vanderbilt's AGI Center ⁵
- Opportunity to participate as a pilot site for technologies currently under research at AGI, subject to appropriate contractual arrangements ⁶
- Opportunity to sponsor two (2) private networking sessions with AGI students and post-docs ⁴
- Early access registration for up to twelve (12) people to AGI Center Annual Symposium
- Opportunity to participate in a panel discussion or technical demonstration session (non-sales based) at the AGI Center Annual Symposium
- Early invitation to fund ongoing research at AGI
- Opportunity to participate in virtual educational workshops for up to ten (10) people (offered 3x per year)
