

## N95 Respirator Fit Testing Form

\*Please scan the QR code using your phone to access the N95 fit testing form.

To scan the QR Code you can use a QR Code Reader APP or open your Camera APP and hover over the QR Code until a link box appears. Click that link.

\*Please complete and submit the form.

## N95 Respirator Medical Evaluation

\*Please scan the QR code using your phone to access the medical evaluation.

To scan the QR Code you can use a QR Code Reader APP or open your Camera APP and hover over the QR Code until a link box appears. Click that link.

\*You will be using your VUMC ID and password to sign in. As a reminder, your VUMC ID is the one that uses your name. e.g Name = Ashley Strader VUMC ID = stradea

\*While filling out the medical evaluation, your employee ID # should auto-fill. If it doesn't, back out and log in again.

\*If you do not know your VUMC ID/Password or are unable to get it to work, no worries. The fit tester will ask the group if anyone cannot complete this. A link to the medical evaluation will be sent out via email for you to complete at another time.
